

Violence Threat Risk Assessment

The KPR Board is committed to providing safe learning environments for all. When students behave inappropriately, principals use progressive discipline to change behaviour. When student behaviours pose a potential threat to safety or serious harm, KPR's Violence Threat Risk Assessment (VTRA) protocol helps principals take immediate steps to protect student well-being. While such incidents are rare, the VTRA outlines how we work with local police, mental health providers and community agencies to keep students safe. [Read more about the protocol](#), including notification requirements, in the Safe, Caring and Restorative Schools section of kprschoools.ca. As always, student safety is our first priority. Should you have any questions, please speak with your principal.
